Season Begins August 24

www.dreamdanceacad.com

2020-2021 Payment Policies and Tuition:

The annual season is mid August through end of May. A summer session will be available June – July. We do not accept students for less than a full semester. A commitment of less time does not give the student enough exposure to dance for any real learning or understanding to take place. To insure individualized attention, classes are limited in size. Upon registration for class(s), you are responsible for the full semester fees regardless of attendance. No reduction of these fees will be given. By the second week of classes, each student will receive a year packet with all dates and costume/recital fee information. Because of this, costume fees will be able to be paid in installments. Costume fees are non-refundable. All tuition for the entire season must be paid in full to receive costume.

Classes will begin Monday, August 24, and the season will continue through May. You will have a choice of three payment options – annual, biannual, or monthly installments. Annual and Biannual payments may be made in the form of cash, check, debit card, Visa, MasterCard or Discover. Monthly installments will be made ***automatically*** by your choice of checking or savings account or charged to your Visa/MasterCard/Discover debit or credit card. We offer a 5% discount for annual and biannual payments. **Installment payments will be charged on the 15th day of each month unless otherwise set up.** They will consist of 9 payments for the year (August – April OR September - May). Statements are issued for delinquent accounts only. Accounts with funds not available on the due date will be assessed a \$10.00 fee for each month in which a balance remains. If an account is delinquent by two months, the student may not attend classes until the account is made current. Full payment is required regardless of a student's suspension from attending class.

Registration Fees:

\$15 / family – new student

\$10 / family – returning student

Returned Check Fee:

A \$35 fee will be assessed for checks returned for insufficient funds.
